Missing Lyrics

You've been _____ all day long
 While I've been blowing up your phone
 I know you don't want to talk _____ at all
 But I'm not leaving this _____ alone
 Well, you've been knocked down
 'til you can't find the sun
 And we been _____
 For God to _____ His mind
 I have seen Him give and take
 And we don't know what _____ do
 But even if that mountain doesn't move
 God's already made a _____ for you
 Pain as heavy as smoky mountain fog
 But that sun still _____ up today
 We don't always get to _____ up with God
 And I don't always like His plays
 He'll take you up and lead you down it
 Or carry you _____ it
 Or give you what you _____ for breakin' through
 All I really know to tell you
 Is He's not going to _____
 Sometimes miracles don't make a _____ move
 If you've been knocked down
 If you can't find the sun
 If you've been praying
 If you're _____
 Well, I've seen Him give and take
 And I can't say what He'll do
 But even if this storm isn't _____ through
 That very love that held me's _____ you
 It's holding you
 That very love that held me's holding you
